

# Where are we in the world?

## Year 2 Spring Term

### Knowledge

- The world is made up of many countries.
- The countries can be grouped into continents.
- The large amounts of water between each continent are called oceans.
- Some of the continents are joined by land, others are separated by oceans.
- Human features are made by people.
- Physical features are created by nature.

### Skills

- LI- To understand where I am in the world
- LI- To locate the seven continents
- LI- To locate the oceans on map
- LI- To describe where different continents are located
- LI- To identify physical and human features of a continent
- LI- To share my understanding of the continents

### N.C Links

#### Locational knowledge

- name and locate the world's seven continents and five oceans

#### Human and physical geography

- identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles
- use basic geographical vocabulary to refer to: key physical features: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather  
key human features: city, town, village, factory, farm, house, office, port, harbour and shop

#### Geographical skills and fieldwork

- use world maps, atlases and globes to identify the countries, continents and oceans studied at this key stage
- use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map

Vocabulary: continent, globe, ocean, human, physical, hemisphere, north, south.

### Fieldwork -

#### PRIOR LEARNING- Year 1

Where we are in the UK?

#### FUTURE LEARNING- Year 3

Where we are in Salford?
