

“At the moment, the Arbor App only shows lessons and events linked directly to your child. Whole-school dates such as assemblies, term dates and events are published on our website calendar. For convenience, you can keep the calendar open as a saved tab on your phone’s browser.”

Here is a quick guide how to do this:

How to keep the website calendar open on your phone.

On iPhone (Safari):

1. Open the school website calendar page (Choose the calendar you would like to save, you can do this for both Parent Calendar and Term Dates.
2. Tap the **Share icon**
3. Select **“Add to Home Screen”**
4. This creates a 1-tap shortcut like an app

On Android (Chrome):

1. Open the school website calendar
2. Tap the **: (3 dots)**
3. Choose **“Add to Home screen”**
4. Name it **“School Calendar”**
